LB 199, 155

SENATOR GOODRICH: Without having time to sit down with the bill and apply the amendment, and that sort of thing, I'm having a little trouble figuring out what you've got in mind as far as the actual penalty now. Can you tell us what change you are making? As I understand you are making a change in the penalty when you get caught with not having a permit. Is that it?

SENATOR LABEDZ: Yes. If you are caught in the park, and usually your car is parked, you will be ticketed or cited by the officer. A ticket will be placed on the windshield. The only thing you have to do then is appear in the court and pay a possible fine and court costs. There will be no forcing of that individual to purchase a daily permit as was originally in LB 199. The other portion of the amendment, as I explained, was we adopted an infraction rather than a misdemeanor in Senator Chambers amendment a few weeks ago, but there was a portion that was not changed in the Final Reading copy. So that has to be corrected in order for it to remain an infraction rather than a misdemeanor. There will be no forcing of that individual to purchase a daily permit, just the fine as given by the courts.

SENATOR GOODRICH: Okay, thank you.

PRESIDENT: Is there further discussion on the motion? If not, all those in favor of the Labeledz amendment vote aye, opposed vote no. Have you all voted? The Clerk will record the vote.

CLERK: 36 ayes, 0 nays on the adoption of the Labeledz-Chambers amendment, Mr. President.

PRESIDENT: Motion carries. The amendment is adopted. Senator Labeledz.

SENATOR LABEDZ: I move for the advancement of LB 199 to E&R for engrossing.

PRESIDENT: You've heard the motion. All those in favor say aye. Opposed no. Motion carried. The bill is advanced. LB 155.

CLERK: Mr. President, 155, I have a motion on the bill.

PRESIDENT: Yes.

CLERK: Actually there is a motion by Senator Goll to return it for an amendment on 948.

PRESIDENT: Senator Goll.
